

Travelling Overseas?

Bring back memories, not measles

Measles is a risk for unvaccinated travellers

BEFORE DEPARTURE

You or someone in your family may need a measles shot. Check with your doctor.

AFTER ARRIVAL

Call your doctor if anyone gets fever and a rash within 3 weeks of returning from your trip.

For more information, phone your local public health unit on
1300 066 055 or visit www.health.nsw.gov.au
