

Future Health: Strategic Framework

Guiding the next decade of care in NSW 2022-2032

Our Vision

A sustainable health system that delivers outcomes that matter most to patients and the community, is personalised, invests in wellness and is digitally enabled.

Our Values:

Collaboration
Openness
Respect
Empowerment

Strategic outcomes		Key objectives	
	<p>Patients and carers have positive experiences and outcomes that matter:</p> <p>People have more control over their own health, enabling them to make decisions about their care that will achieve the outcomes that matter most to them.</p>	<p>1.1 Partner with patients and communities to make decisions about their own care</p> <p>1.2 Bring kindness and compassion into the delivery of personalised and culturally safe care</p> <p>1.3 Drive greater health literacy and access to information</p> <p>1.4 Partner with consumers in co-design and implementation of models of care</p>	
	<p>Safe care is delivered across all settings:</p> <p>Safe, high quality reliable care is delivered by us and our partners in a sustainable and personalised way, within our hospitals, in communities, at home and virtually.</p>	<p>2.1 Deliver safe, high quality reliable care for patients in hospital and other settings</p> <p>2.2 Deliver more services in the home, community and virtual settings</p> <p>2.3 Connect with partners to deliver integrated care services</p> <p>2.4 Strengthen equitable outcomes and access for rural, regional and priority populations</p> <p>2.5 Align infrastructure and service planning around the future care needs</p>	
	<p>People are healthy and well:</p> <p>Investment is made in keeping people healthy to prevent ill health and tackle health inequality in our communities.</p>	<p>3.1 Prevent, prepare for, respond to and recover from pandemic and other threats to population health</p> <p>3.2 Get the best start in life from conception through to age five</p> <p>3.3 Make progress towards zero suicides recognising the devastating impact on society</p> <p>3.4 Support healthy ageing ensuring people can live more years in full health and independently at home</p> <p>3.5 Close the gap by prioritising care and programs for Aboriginal people</p> <p>3.6 Support mental health and wellbeing for our whole community</p> <p>3.7 Partner to address the social determinants of ill health in our communities</p> <p>3.8 Invest in wellness, prevention and early detection</p>	
	<p>Our staff are engaged and well supported:</p> <p>Staff are supported to deliver safe, reliable person-centred care driving the best outcomes and experiences.</p>	<p>4.1 Build positive work environments that bring out the best in everyone</p> <p>4.2 Strengthen diversity in our workforce and decision-making</p> <p>4.3 Empower staff to work to their full potential around the future care needs</p> <p>4.4 Equip our people with the skills and capabilities to be an agile, responsive workforce</p> <p>4.5 Attract and retain skilled people who put patients first</p> <p>4.6 Unlock the ingenuity of our staff to build work practices for the future</p>	
	<p>Research and innovation, and digital advances inform service delivery:</p> <p>Clinical service delivery continues to transform through health and medical research, digital technologies, and data analytics.</p>	<p>5.1 Advance and translate research and innovation with institutions, industry partners and patients</p> <p>5.2 Ensure health data and information is high quality, integrated, accessible and utilised</p> <p>5.3 Enable targeted evidence-based healthcare through precision medicine</p> <p>5.4 Accelerate digital investments in systems, infrastructure, security and intelligence</p>	
	<p>The health system is managed sustainably:</p> <p>The health system is managed with an outcomes-focused lens to deliver a financially and environmentally sustainable future.</p>	<p>6.1 Drive value based healthcare that prioritises outcomes and collaboration</p> <p>6.2 Commit to an environmentally sustainable footprint for future healthcare</p> <p>6.3 Adapt performance measurement and funding models to targeted outcomes</p> <p>6.4 Align our governance and leaders to support the system and deliver the outcomes of Future Health</p>
