

# **SURGICAL SKILLS CAREERS EVENING**

## **WESTERN SYDNEY SURGICAL SKILLS NETWORK**

**PGY2+ and interested in a career in surgery?**

Our surgical skills network provides rotations in most major surgical subspecialties across Westmead, Auburn, Blacktown and the Children's Hospital at Westmead. Our network has the perfect combination of high patient loads and top-notch formal teaching to support our trainees.

**Want to hear more?**

Join us for an engaging and informative session where you will hear from a panel of dedicated leaders and current trainees who are ready to share their stories and answer your questions.
