Operational variables

Name	Description
MOBILE	Sourced from the sample file (1=Mobile, 2=Landline).
CHILD	Child respondent flag. Derived from INT1c.
CCB	Child call back survey. Derived from CMOBGX.
CCBAGREE	Agree to child call back survey. Derived from CMOBGX.
PROXY	Proxy respondent. Derived from INT1c.
MCNAME	Name of main carer. Derived from CMOBG1.
INT2_NAME	Name of selected respondent if proxy or child. Derived from INT2.
RECFLG	Adult or new respondent. Derived from CMOBGxb
CHILDNAME	Name of child. Derived from CMOBG4.
HEIGHT	Recorded weight. Derived from HWT1a, HWT1b, HWT1c.
WEIGHT	Recorded height. Derived from HWT2a, HWT2b, HWT2c, HWT2bb.
HWTCBNAME	Name of person for height and weight call back. Derived from HWT12.
REFCHILD	Reference child from random selected. Derived from POS.
HEIGHTCHK	Check for whether height for 2-16 year olds is within acceptable range based on cut-offs (1 = within range; 2 = not in range).
BMICK	Check for whether BMI for 2-16 year olds is within acceptable range based on cut-offs (1 = plausible BMI value; 2 = implausible BMI value).
MOTHER	Relationship to child respondent. Derived from CDM6 and RLHP.
FATHER	Relationship to child respondent. Derived from CDM6 and RLHP.

Introduction variables

Question Code	Question name	Question	Respondent base	Notes
IN1	Introduction – Main Survey	<p>Good afternoon/evening my name is <SAY NAME> and I'm calling on behalf of the NSW Ministry of Health from the Social Research Centre. We are conducting an important study on the health and wellbeing of people in NSW and we would like to interview (you/someone in your household). The survey is used to help the NSW Ministry of Health plan the provision of healthcare services such as hospitals and clinics in your area. The survey is not specifically about the coronavirus.</p> <p>We would greatly appreciate (your/your household's) participation in this study and I would like to introduce it to you briefly and explain how it works.</p> <p>1 Continue 2 Hang up – said nothing 3 Language difficulty 4 Disability problem – NOT able to proceed 5 Not a resident of NSW 6 Holiday house in NSW 7 Mobile phone answerer under 16 R Household refusal</p>	ALL	Existing
IN1CVa	Request for coronavirus helpline	Before I go any further, would you like the phone number for the National Coronavirus Helpline? The helpline operates 24 hours a day, seven days	IN1=1	New

NSW Population Health Survey
2020 Collection Year (Version: 01/07/2021)

Question Code	Question name	Question	Respondent base	Notes
		a week and can answer questions you may have about the virus. 1 Yes 2 No		
IN10	Participate	Can I just confirm that you live in NSW? 1 Yes 2 No X Don't know R Refused	IN1=1	Existing
IN10a	State or territory of residence	In which state or territory do you live? 1 ACT 2 Victoria 3 Queensland 4 South Australia 5 Western Australia 6 Tasmania 7 Northern Territory 8 Overseas locality X Don't know R Refused	IN10=2 OR IN1=5	Existing
MOB1	Safe to take mobile call	May I just check whether or not it is safe for you to take this call at the moment? If not, I am happy to call you back when it is more convenient. 1 Safe to take call 2 Not safe to take call R Refusal	MOBILE=1	Existing
MOB2	Not safe to take mobile call	Would you like me to call you back on this number or would you prefer I call back on your home phone? 1 This number 2 Home phone R Refusal	MOB1=2	Existing
MOB3	Participation – mobile frame	May I please confirm that you are at least 16 years old? 1 Yes – 16 years or over 2 No – under 16 years	MOB1=1	Existing
INT1a	No. of people living in household	Your phone number has been chosen at random from all possible telephone numbers in your area. We would like to make a random selection of a person in your household to interview. If a child 0-15 years of age is selected we would interview the parent or main carer of that child. So that we can randomly select one person from your household can you please tell me, how many people, including yourself, live in your household? Record number of people (RANGE 1 TO 16) 99999 Refused	MOBILE=2 AND CCB#1	Existing

NSW Population Health Survey
2020 Collection Year (Version: 01/07/2021)

Question Code	Question name	Question	Respondent base	Notes
INT1f	No. of children in the household	And how many of the people living in the household are children 0-15 years of age? Record number of children under 16 (RANGE 0 TO (NUMBER SPECIFIED AT INT1a MINUS ONE)) 99999 Refused	INT1a≠1 OR REFUSED AND CCB≠1	Existing
POS	Age position of speaker	Now can you tell me if you are the oldest, second oldest, ...xth oldest person living in your household? 1 Oldest 2 Second oldest 3 Third oldest 4 Fourth oldest 5 Fifth oldest 6 Sixth oldest 7 Seventh oldest 8 Eighth oldest 9 Ninth oldest 10 Tenth oldest 11 Eleventh oldest 12 Twelfth oldest 13 Thirteenth oldest 14 Fourteenth oldest 15 Fifteenth oldest 16 Sixteenth oldest R Refused	INT1a≠1 OR REFUSED	Existing
INT1c	Random selection	We have done the random selection and we would like to interview the <nth> oldest person in your household. (Is that person a child 0-15 years of age?) 1 Yes, that's me 2 Yes, another person but not available now 3 Yes, I'll get the person 4 Yes, my son/daughter (or other person under 16) 5 Selected respondent does not speak English 6 Selected respondent unable to participate R Refused	INT1a≠1 OR REFUSED	Existing
INT1g	Ask for main carer	Because we will conduct this survey about a child who is 0-15 years of age, we need to speak with the person who knows most about that child's health. Are you that child's main carer? 1 Yes (continue with current respondent) 2 No (child's main carer not available now) 3 No (reintroduce survey to child's main carer) R Refused to pass over to main carer of child	INT1c=4	Existing

NSW Population Health Survey
2020 Collection Year (Version: 01/07/2021)

Question Code	Question name	Question	Respondent base	Notes
AIN14	Justification for proxy survey being undertaken	<p>Would you please tell me why that person is not able to take part in the study?</p> <p>1 Temporary illness (very sick in bed, in hospital) 2 Too confused (has dementia, Alzheimer's) 3 Deaf 4 Had stroke 5 Other (SPECIFY) 6 Unavailable for duration of the study R Refused (to provide reason)</p>	INT1c=6	Existing
IN7	Ask for main carer	<p>Because we will conduct this survey about a person who is unable to do the interview themselves, we need to speak with someone who knows most about that person's health. Would that be you?</p> <p>1 Yes (continue with current respondent) 2 Main carer not available now 3 Reintroduce to main carer R Refused</p>	INT1c=6	Existing
INT2	Name	<p>Could I please have (the given name of the person (who is not able to do the interview) / the given name of this child)</p> <p>1 RECORD GIVEN NAME OR INITIAL (Specify) 2 Refused (use 'the selected child') 3 Refused (use 'the selected adult')</p>	PROXY=1 OR CHILD=1	Existing
INT4	Reintroduction	<p>Good morning/afternoon/evening, my name is _____ and I am calling on behalf of the NSW Ministry of Health from the Social Research Centre. We are conducting a State-wide study on the health and wellbeing of people in NSW. The survey is not specifically about the coronavirus.</p> <p>(IF INT1g=3) <INT2_NAME> was randomly selected for the interview from this household, and as INT2_NAME's main carer, we'd like to ask you some questions about <INT2_NAME>'s health (IF IN7=3) < INT2_NAME > was randomly selected for the interview from this household, and as <INT2_NAME>'s main carer, we'd like to ask you some questions about <INT2_NAME>'s health. The survey will take between 15 and 20 minutes. Would it be convenient to talk to you now?</p>	INT1c=3 OR INT1g=3 OR IN7=3	Existing

NSW Population Health Survey
2020 Collection Year (Version: 01/07/2021)

Question Code	Question name	Question	Respondent base	Notes
		<p>The survey is used to help the NSW Ministry of Health plan the provision of healthcare services such as hospitals and clinics in your area and to let us know about current health issues.</p> <p>1 Yes 2 Yes, but not now 3 Language difficulty R Refused</p>		
PLOTE	Record language	<p>In what language would you prefer to be re-contacted?</p> <p>1 Arabic 2 Cantonese 3 Greek 4 Italian 5 Vietnamese 6 Mandarin 7 Other</p>	INT4=3	Existing
INT5	Consent	<p>Your help with this survey would be voluntary. All that is involved is answering some questions about <your / INT2_NAME's health>, wellbeing and use of health services. The interview takes around 15 to 20 minutes. You can stop the interview at any time or simply refuse to answer a question should you prefer. Please be assured that all the answers to questions remain completely confidential, except where you volunteer information that we are required to report by law.</p> <p>The information from this survey will be used to help improve health services for people in your area and across the state, so your help is very important to us.</p> <p>1 Start survey 2 Not a convenient time R Refused</p>	ALL	Existing
CINT1	Introduction – Child call back survey	<p>Good afternoon/evening my name is <SAY NAME> and I'm calling on behalf of the NSW Ministry of Health from the Social Research Centre. May I please speak with <MCNAME>?</p> <p>1 Continue 2 Hang up – said nothing R. Household refusal</p>	CCBAGREE=1	Existing
