**Operational variables**

Name	Description
MOBILE	Sourced from the sample file
CCB	Child call back survey. Derived from CMOBGX.
CCBAGREE	Agree to child call back survey. Derived from CMOBGX.
MCNAME	Name of main carer. Derived from CMOBG1.
INT2_NAME	Name of selected respondent if proxy or child.
RECFLG	Adult or new respondent. Derived from CMOBGxb.
CHILDNAME	Name of child. Derived from CMOBG4.
HEIGHT	Recorded weight. Derived from HWT1a, HWT1b, HWT1c.
WEIGHT	Recorded height. Derived from HWT2a, HWT2b, HWT2c, HWT2bb.
HWTCBNAME	Name of person for height and weight call back. Derived from HWT12.
HEIGHTCHK	Check for whether height for 2-16 year olds is within acceptable range based on cut-offs (1 = within range; 2 = not in range).
BMICCHK	Check for whether BMI for 2-16 year olds is within acceptable range based on cut-offs (1 = plausible BMI value; 2 = implausible BMI value).
RSHIP	Relationship of carer to child. Derived from CMOBG5.

**Introduction variables**

Question Code	Question name	Question	Respondent base	Notes
IN1	Introduction – Main Survey	<p>Good afternoon/evening my name is &lt;SAY NAME&gt; and I'm calling on behalf of the NSW Ministry of Health from the Social Research Centre. We are conducting an important study on the health and wellbeing of people in NSW and we would like to interview you.</p> <p>The survey is used to help the NSW Ministry of Health plan the provision of healthcare services such as hospitals and clinics in your area.</p> <p>We would greatly appreciate your participation in this study and I would like to introduce it to you briefly and explain how it works.</p> <p>Can I just confirm that you are at least 16 years old?</p> <p>1 Continue            2 Hang up – said nothing            3 Language difficulty            4 Disability problem – NOT able to proceed            5 Not a resident of NSW            6 Mobile phone answerer under 16            R Respondent refusal</p>	ALL	Existing
IN1CVa	Request for coronavirus helpline	<p>Before I go any further, would you like the phone number for the National Coronavirus Helpline? The helpline operates 24 hours a day, seven days a week and can answer questions you may have about the virus.</p> <p>1 Yes            2 No</p>	IN1=1	Existing
